## Moving Forward

Dear Islanders:

There is a lot of exciting news to share as we prepare for the summer season on Key Biscayne.

I am proud to report that the months-long M.A.S.T. Academy expansion project is in its final phases. What's more, we are on time and on budget with the construction and remain on track to open the new facility in September 2015 for the commencement of the 2015-2016 academic school year. At a recent meeting, the Miami-Dade County Public School superintendent had many positive things to say about the newly renovated academy, including that it will act as a "benchmark school" and academic model for other schools in the future.

Late last year, the Village Council enacted a resolution to enter into an Educational Compact with Miami-Dade County Public Schools, which if passed, would provide additional educational opportunities to Key residents. I am pleased to report the Miami-Dade County School Board recently adopted this measure. More information to come later this year.

With the newly elected Village Council in place, Councilmembers are working closely with Village staff to prepare for the first public budget workshop to take place on June 16. Once these meetings have been completed, Councilmembers will review all budget-related documents over the summer in preparation for the first budget hearing in September.

In mid-April, Village Council approved a *Needs Assessment Survey*, which will gauge resident's usage and satisfaction with the Key Biscayne Community Center, parks and recreation facilities in our community and various Village services. The questionnaire will be randomly mailed to 2,500 residents, and an online version will be available to all.

Pedestrian safety is a growing concern for both Key residents and the Village Council. To address this issue, we have enhanced pedestrian safety by adding several pedestrian crosswalks along Crandon Blvd. We also have identified additional pedestrian intersection locations along Crandon Blvd. where residents can safely cross the street.

Ongoing traffic congestion on the Key is also being addressed. The Village Council has hired a construction and engineering firm to prepare a mobility plan, which will involve resident input, data analysis and implementation strategies to identify traffic problems and make recommendations to fix those problems. The project will take about nine months to complete. Please take a moment to learn more about the *Village Transit Mobility Study* and provide your feedback by logging on to the Village website at [www.KeyBiscayne.fl.gov](http://www.KeyBiscayne.fl.gov). Your feedback is essential and will help us as we complete the study to make Key Biscayne an even better community.

As always, I wish all of you a relaxing and fun-filled summer, but most importantly, please stay safe on land and on the water.

# Team Key Aquatics

## Interested in joining TKA?

Please contact Coach Gaby at 786-200-6717 prior to registering.

Practice days and times are subject to change.

If you love swimming and are willing to work hard to improve on the skills necessary to take your swimming strokes and water polo game to the next level, then Team Key Aquatics (TKA) is definitely for you. TKA is a dynamic aquatic program dedicated to the future of its athletes. In addition to having fun, coaches strive to develop athletes through fundamental swimming and water polo skills that will maximize their potential. TKA will further strengthen each swimmer's athletic arsenal by preparing him or her for their high school swimming and water polo seasons. One of the many goals at TKA is to give young athletes the tools and skills necessary to successfully compete at the high school level.

TKA has introduced a method of cross-training called Swimfit that will allow every athlete to reach his or her prime fitness level. Seamlessly mixing aquatic training with dry-land exercises, TKA coaches will train their athletes in the art of balancing swim stroke training and dry-land workouts at every crew level. Swimfit is a conditioning program that mixes swim stroke training, swimming sprints, running sprints, pushups, pull ups, sit ups, squats, lunges and other functional movements. The more muscles worked, the more calories burned. The group workouts are short, highly intense and constantly changing, making them fun, yet challenging. As coaches, we strive to make our athletes functionally fit.

For more information about TKA and the programs we offer, please visit [www.TeamKeyAquatics.com](http://www.TeamKeyAquatics.com) and connect with us on Instagram @TeamKeyAquatics.

## HISPANIC FAMILY THEATRE EVENT

Part of the 30th International Hispanic Theatre Festival of Miami, **Zarzuguíñol** (a Zarzuela for children) will be presented by Teatro Avante at the Community Center. In **Zarzuguíñol**, a life-size endearing puppet and a colorful parade of his funny friends take the audience through a beautiful musical journey with the magical music of a zarzuela. The zarzuela is a Spanish lyric-dramatic genre that alternates between spoken and sung scenes, the latter incorporating operatic and popular song, as well as dance. This production will provide children and their families the opportunity to experience a theatrical production that is highly interactive, designed to educate and entertain while exposing them to another cultural tradition. The audience will be able to interact with the theatre company members at the conclusion of the performance. The event is presented in partnership with the Key Biscayne Community Foundation and the Village of Key Biscayne.
